

IISA2019

The 4th International Conference on Intelligent, Interactive Systems and Applications

Bangkok, Thailand

June 28-30, 2019

Organization Committee:

General Chair

Prof. Dr. Madjid Tavana

Publication & Programme Chair

Prof. Dr. Srikanta Patnaik

Publicity Chair

Prof. Dr. Yingxu Wang

Organising Chair

Prof. Dr. Xilong Qu

International Advisory Chair:

Prof. Dr. Fatos Xhafa

Prof. Dr. Andrew W. H. Ip

Prof. Dr. Sam Kwong

Dr. WU Chun Ho, Jack

Dr. Brian Siu

Prof. Yikui Zhai

Technical Program Committee

Prof. Xilong Qu, Hunan University of Finance and Economics, China

Dr. Hao Wang, State Key Laboratory of Rolling and Automation, Northeastern University, China

Dr. Liang Zong, Shaoyang University, China

Prof. Junjie Lv, University of Wuhan Polytechnic, China

Dr. Xilang Tang, Airforce Engineering University, China

Prof. Vladicescu Popentiu, Florin, City University, UK

Prof. Kittiwat Sirikasemsuk, King Mongkut's Institute of Technology Ladkrabang, Thailand

Prof. Guangzhi Qu, Oakland University, USA

Prof. V.S.S. Yadavalli, University of Pretoria, South Africa

Prof. Bruno Apolloni, Università degli Studi di Milano, Italy

Prof. Harry Bouwman, Delft University of Technology, Netherlands

.....

The 4th International Conference on Intelligent, Interactive Systems and Applications (IISA2019) will be held during June 28-30, 2019 in Bangkok, Thailand. The aim of the conference is to provide a platform for Academicians, Researchers, Scientists and Professionals to share their knowledge and expertise in the field of intelligent, interactive systems and applications.

IISA2019 will be published in **Advances in Intelligent Systems and Computing** (ISSN: 2194-5357) by **Springer-Verlag**, and it will be submitted to ISI Proceedings, EI-Compendex, DBLP, SCOPUS, Google Scholar and Springerlink. Currently, the retrieval of papers which are submitted by Springer-Verlag is normal; **Selected excellent 30 papers will be recommended for publication in EI, SCI Journal.**

Selected papers will be published in an extended form in one of the following EI or SCI journals:

1. Enterprise Information Systems (Indexed: SCI/EI/Scopus/Inspec)
2. International Journal of Computational Intelligence Systems (Indexed: SCI/EI/Scopus/Inspec)
3. International Journal of Information and Communication Technology (Indexed: EI/Scopus/Inspec)
4. International Journal of Information Systems in the Service Sector (Indexed: EI/Scopus/Web of Science ESCI/Inspec)
5. International Journal of Information Systems in the Service Sector (Indexed: EI/Scopus/Web of Science ESCI/Inspec)
6. International Journal of Grid and Utility Computing (Indexed: EI/Scopus/Inspec)
7. International Journal of Applied Decision Sciences (Indexed: EI/Scopus/Inspec)
8. International Journal of Enterprise Information Systems (EI/Scopus/Web of Science ESCI/Inspec)
9. International Journal of Communication Networks and Distributed Systems (EI/Scopus/Inspec)
10. International Journal of Management and Decision Making (Indexed: Scopus/Google Scholar)
11. International Journal of Knowledge Engineering and Data Mining (Inspec/Google Scholar)
12. International Journal of Strategic Decision Sciences (Indexed: Inspec/Google Scholar)

Topics which are included, but are not limited to, are the following:

Autonomous Systems, Distributed Computing, Virtual Communication Environments, Mobile Robotics, Methods in Cognitive Systems, Mind, Brain and Behaviour, Machine Learning, Natural Language Interaction, Web Intelligence Signal Processing, Speech Technologies, Audio and Music Processing, Face and Gesture Analysis, Computer Vision, Pattern Recognition, Data-driven Social Analytics, Mobile Systems Recommender Systems, Semantic Web-based Systems.....

IMPORTANT DATES:

Conference Date: 2019.6.28-6.30

Submission Due: 2019.5.28

ORGANIZERS:

IRNet International Academic Communication Center

Co-organizers:

Department La Salle University

The Technical University of Catalonia (UPC)

THE HANG SENG UNIVERSITY OF HONG KONG

City University of Hong Kong

Committee Chair Members and Guests

Prof. Dr. Madjid Tavana

Professor and Distinguished Chair of Business Analytics Chairman of the Business Systems and Analytics Department La Salle University • Philadelphia, Pennsylvania 19141 • USA

Prof. Dr. Srikanta Patnaik

Department of Computer Science and Engineering SOA University, Bhubaneswar Odisha, India

Prof. Dr. Yingxu Wang

President, International Institute of Cognitive Informatics and Cognitive Computing (ICIC)

Prof. Dr. Xilong Qu

School of Information Technology and Management Hunan University of Finance and Economics

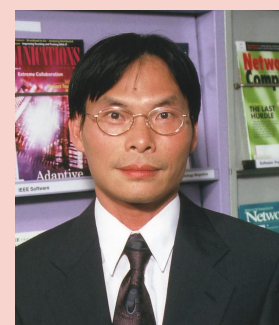

Prof. Dr. Fatos Xhafa

Hab. Full Professor Professor Titular d'Universitat Dept de Ciències de la Computació Universitat Politècnica de Catalunya Barcelona, Spain.

Prof. Dr. Andrew W. H. Ip

Hong Kong Polytechnic University, China & University of Saskatchewan, Canada

Prof. Dr. Sam Kwong

Department of Computer Science City University of Hong Kong

Dr. WU Chun Ho, Jack

The Hang Seng University of Hong Kong

Dr. Brian Siu

H. Dip. SA HKPU, BA (Hons) Business Management, Sund., MSc Lond., MPhil City HK, PhD BulSU

Prof. Yikui Zhai

School of Information and Engineering, Wuyi University

Prof. Shengqing Li

Electrical and Information Engineering at Hunan University of Technology

Prof. Jinhui Zeng

Hunan University of Technology

Keynote Speaker

Dr. B. B. Gupta

Department of Computer Engineering, National Institute of Technology Kurukshetra, Kurukshetra-136119, Haryana, India

Dr. B. B. Gupta received his Ph.D from Indian Institute of Technology Roorkee, Uttarakhand, India. He has published over 100 research papers in International Journals and Conferences of high repute, including IEEE, Elsevier, ACM, Springer, Inderscience, etc. One published paper is in IEEE Journal having Impact factor 9.22 which Rank number 01 Journal in Computer Science-Telecommunication based on Article Influence Score, Rank number 02 Journal in Computer Science-Telecommunication based on Impact factor, respectively accordingly to the 2015 JCR report, released in June 2016 by Thomson Reuters. He has got more than 17 awards, such as Young Faculty Research Fellowship Award (37 Lakhs), by MeITY, Govt. of India, 2017, Recipient of Post Doctoral Fellowship award, Govt. of Canada and so on. His research interests include Information security, Cyber Security, Intrusion detection, Cloud Security, Mobile Security, Web Security, Big data analytics, Botnet Detection, Phishing, DDoS attacks, and Network Performance Evaluation.

About Bangkok, Thailand

Bangkok (Thai: กรุงเทพมหานคร; English: Bangkok), is the capital and largest city of Thailand, alias "City of Angels". Bangkok is located on the east bank of the Chao Phraya River, next to Gulf of Siam in the south, the largest city in the Indo-China Peninsula, the second largest city in Southeast Asia, It is also Thailand's political, economic, trade, transportation, culture, science and technology, education, religion and various centers.

Bangkok is a bustling international metropolis and a trading center for precious metals and precious stones. The economy of Bangkok accounts for 44% of Thailand's total, and Bangkok Port hold 90% Thailand's foreign trade. Bangkok's tourism industry is highly developed and has been voted as the world's most popular tourist city in 2013.

Bangkok is one of the international event centers, with as many as 200 to 300 international conferences held each year. The city has regional offices of U.N. Economic and Social Commission for Asia and the Pacific (UNESCAP) headquarters, the World Bank, the World Health Organization, the International Labour Organization and more than 20 international agencies. Bangkok is known as the "City of Buddhism" and is the headquarters of the World Buddhist Association and the seat of the Asian Institute of Technology.
